EXPRESSION OF INTEREST (EOI)

Selection of Consultant (Individual/Firm) for Preparation of Standard Operating Procedures (SOPs) for Chief Minister Model Composite Schools in Uttar Pradesh

Education is the most vital investment in building human capital. Recognizing this, the Government of Uttar Pradesh vide Government Order No: 11/2025/1/877422/ 2025-68-5002 (002) / 6 / 2023 dated 11th. February, 2025 has launched the Mukhyamantri Model Composite School Programme—a pioneering initiative to provide world-class education and learning environment from Bal Vatika (Pre-primary) to Class XII on a single campus. Construction on 150 CM Model Composite schools has already begun. The important features of the Mukhyamantri Model Composite School are as follows:

- Scale & Investment: Each school is being developed on 5–10 acres of land with an investment of ₹30 crore.
- Capacity: Each campus will cater to 1500–2000 students and 125–150 teachers.
- Facilities: Smart classrooms, advanced science & computer labs, robotics centres, digital libraries, sports stadiums, and residential provisions for staff.
- Innovation: For the first time, pre-primary to Class XII education will be integrated in one campus, ensuring seamless learning and eliminating drop outs at different stages due to distance.
- Transportation: Each school will have a transport system using electric buses / vans for bringing children from the villages.
- Catering: Mid-day Meal arrangement for 2000 students will be arranged.

This initiative marks a transformative step in public education, combining modern world class infrastructure, technology, and holistic learning under one roof. The State Transformation Commission (STC) invites Expressions of Interest (EOI) from qualified individual consultants or firms for preparing a comprehensive SOP Manual to govern academics, discipline, administrative, financial, safety, security, transportation, catering and IT operations of these schools. The SOPs will ensure operational consistency, risk management & safety compliance, administrative excellence, alignment with National Education Policy (NEP) 2020, CBSE guidelines and state regulations. The required eligibility will be Master's degree in Education Management, Business Administration, Public Policy, Social Science or related fields with minimum 5 years' experience in organizational design, process mapping, or drafting SOPs for educational/corporate institutions and also expertise or strong knowledge of K-12 school operations, compliance frameworks, and technical writing. Interested consultants/firms may submit their Expression of Interest with financial quote along with credentials and methodology to the State Transformation Commission, Lucknow up to 30 October 2026 (6 PM) to the Office of Chief Executive Officer, State Transformation Commission, First Floor, Yojana Bhawan, SN Marg, Lucknow. The submissions should be in two envelopes one with technical details and the other one with financial quote. Further details including Terms of Reference (ToR) and submission guidelines are available at: transform.up.gov.in.
