

Minutes of the meeting held for selection of the vendor for providing high speed broadband internet connectivity in villages through selection, training and establishment of Digital Service Provider under CM-YUVA Scheme

Date: 13 July, 2026

Venue: Room No. 101, First Floor, Yojna Bhawan, Lucknow

State Transformation Commission (STC) has entered into a MoU with One OTT Entertainment (a Hinduja Group entity) for providing broadband Internet Connectivity in villages through Digital Service Providers under Project GANGA (Government Assisted Network for Growth and Advancement).

The Digital Service Providers will be financed under CM-YUVA Scheme of MSME Department, Government of Uttar Pradesh. A Presentation was made on Project Ganga at the senior level in the government. In the above meeting an observation was made that opportunity to other competent and interested parties besides One OTT Entertainment should also be provided in spirit of transparency and equity. In compliance of the above observations / directions an advertisement was issued on 22nd May, 2026 in Times of India (English) and Hindustan (Hindi). The time given for application was till 15th June, 2026. A copy of same is at Annexure-1.

A total of 23 applications were received by due date. The list of applicant companies is at Annexure-2. The applicant companies were informed through e. mail for presentation meeting scheduled at STC Office on 13/7/2026 at 11 am. The presentation was required on the understandings of the scope of work and the way forward for implementation of the project.

Out of the 23 applicant companies, 19 companies did not attend the meeting. The 4 companies who attended the meeting are as follows:

1. Rangayan Creation Private Limited
2. SR Groups
3. Inductus Limited
4. Pragati Computer Prakshishan Samiti.

The presentations by the companies were made before the following officers of the STC:

- Chief Executive Officer, State Transformation Commission, Uttar Pradesh.
- Finance controller, State Transformation Commission, Uttar Pradesh.
- Mrs. Ajantha Devi, Joint Director, State Transformation Commission, Uttar Pradesh.
- Shri Awadhesh Kumar Gupta, Program Director, Land Asset Unlocking Cell, State Transformation Commission, Uttar Pradesh.
- Ms Sadhvi Singh, Consultant Grade-2, State Transformation Commission, Uttar Pradesh.

It was noted that the companies i.e. M/s. Rangayan Creations Private Limited and M/s SR Group have not understood the scope of work and they were under the impression that this work relates to e-office and other IT services in STC Office. M/s. Inductus Limited has no

experience in providing broadband internet services or / and they do not have any MoU with ISPs. They have experience of supplying manpower/establishing Project management Unit (PMU), which they mentioned in their presentation. The M/s. Pragati Computer Prakshishan Samiti also has no experience in providing broadband internet services or / and they do not have any MoU with ISPs.

The Team of Officers attending the presentation meeting concluded that none of the above four applicant companies have any knowledge or experience of providing broadband connectivity in villages. They also could not produce any copy of MoU with any ISP or any client whom such service has been provided. So, none of the applicant companies qualify for the assignment of providing high speed broadband connectivity in rural areas.

Enclosures: As above.

1. Manoj Kumar Singh
Chief Executive Officer
2. Bishwajeet Rai
Finance controller
3. Mrs. Ajantha Devi
Joint Director
4. Shri Awadhesh Kumar Gupta
Program Director, Land Asset Unlocking Cell
5. Ms Sadhvi Singh, Consultant Grade-2

STATE TRANSFORMATION COMMISSION (UP STC)

Government of Uttar Pradesh

Lucknow, Uttar Pradesh, Pincode - 226001

The State Transformation Commission, Government of Uttar Pradesh is working for selecting, training and establishment of Digital Service Providers at Nayaya Panchayat levels (8000-10000) in State. The programme will take high speed broadband internet connectivity to villages. The selected DSP will be provided assistance and support under CM-YUVA Scheme for establishing the system in approximately 300 households. The DSP will provide the different services available on the high - speed broadband internet connectivity to the households against the charges for the services provided to run the system in economically viable mode. The Internet Service Providers or the Service Provider Partners who are interested in working on this project with the State Transformation Commission, Government of Uttar Pradesh can apply on www.transform.up.gov.in. The STC after screening the applications will shortlist the eligible and suitable applicant firms / companies for partnering in the project. The application be filed by 15th. June, 2026 (6 pm).

Chief Executive Officer

State Transformation Commission
